One Minute Can Save Your Life!

FREE PROSTATE CANCER SCREENING

Prostate cancer is the most common cancer among men, with an even higher rate in African-American men. However, a one-minute exam can identify early stage prostate cancer and improve the chances for successful treatment of the disease.

AN APPOINTMENT IS NECESSARY

**PLEASE REGISTER BY CONTACTING:
Mariam Merced or Yesenia Hernandez at 732/247-2050**

WHEN: 5PM-8PM
Monday, September 22, 2008
Tuesday, September 23, 2008
Wednesday, September 24, 2008

WHERE: The Cancer Institute of New Jersey
195 Little Albany Street
New Brunswick, NJ 08901

This screening is open to all men 50 years and older with no history of prostate cancer or 40 years and older with a family history of prostate cancer.

Share this flyer and information with a friend or a family member and encourage them to get screened for prostate cancer too – it only takes one minute to save a life.

Limited free parking will be available in the Robert Wood Johnson University Hospital parking deck across the street from CINJ. Please bring your ticket for validation.
