

End-of-Life Nursing Education Course

April 4 and 12, 2019 • 7:30am to 4:15pm

Bouras Auditorium -Overlook Medical Center

5th Floor 99 Beauvoir Avenue Summit N.J. 07901

Learning Outcomes

Nurses and other health care providers will:

- Identify factors affecting end of life care and develop strategies to manage symptoms through group participation in case studies
- Learn how to address sensitive issues in relation to the end of life care through group discussion and role playing.

Course Includes:

- 14 contact hours for attendance on both days
- All course materials
- Breakfast & lunch provided on both days

Course Objectives

At the end of this course participants will be able to describe the role of the nurse in:

- Providing palliative nursing care
- Utilizing the principles of pain and symptom management for patients with advanced disease
- Addressing ethical issues that occur at the end-of-life
- Providing culturally sensitive care at the end-of-life
- Using communication techniques that improve end-of-life care *
- Facilitating healthy adaptation to loss for patients, family and health care workers
- Providing care at the time of death

Continuing Education

14 contact hours

Atlantic Health System is an approved provider of continuing nursing education by New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. P184-4/18-21

- There is no commercial support provided for this CNE activity.
- All speakers and planners have no vested interest related to this CNE activity and agree that this activity will be free of bias. Disclosure forms are required and reviewed for any issues.
- Accredited status does not imply endorsement by Atlantic Health System, NJSNA, or ANCC's Commission on Accreditation or any commercial product displayed in conjunction with this program.

Successful completion of the nursing contact hours awarded requires participants to sign in, attend entire program and complete an evaluation form.

The End-of-Life Nursing Education Consortium (ELNEC) project is a national end-of-life educational program administered by City of Hope (COH) and the American Association of Colleges of Nursing (AACN) designed to enhance palliative care in nursing. The ELNEC project was originally funded by a grant from The Robert Wood Johnson Foundation with additional support from funding organizations (Aetna Foundation, Archstone Foundation, California HealthCare Foundation, National Cancer Institute, Oncology Nursing Foundation, Open Society Institute and Department of Veterans Affairs). Further information about the ELNEC project can be found at: www.aacn.nche.edu/ELNEC
