

What is New in Gastrointestinal Cancers

Saturday, April 27, 2019

7:30am to 12:30pm

**Morristown Medical Center
Malcolm Forbes Amphitheater
100 Madison Avenue, Morristown, NJ**

Learning Outcome

- › Identify the different tyrosine kinase inhibitors for the treatment of hepatocellular carcinoma (HCC)
- › Recognize the role of checkpoint inhibitors in the treatment of HCC
- › Revisit the role of radiation therapy in the treatment of rectal cancer
- › Understand the role of irreversible electroporation (IRE) in the treatment of pancreatic cancer
- › Explore options for clinical trials in the treatment of pancreatic cancer
- › Understand how microbiota and diet modulate GI chemotherapeutic treatments toxicity

Presentation Topics Include:

- › Hepatocellular Carcinoma: TKI and Checkpoint Inhibitors
- › Rectal Cancer, Updates in Standard of Care
- › Irreversible Electroporation
- › How Microbiota and Diet Modulate GI Chemotherapeutic Treatments Toxicity
- › Clinical Trials in Pancreatic Cancer

4AMA PRA Category 1 Credits™

Atlantic Health System designates this educational activity for a maximum of 4AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Atlantic Health System is accredited by the Medical Society of New Jersey to provide Continuing medical education for physicians.

Agenda

7:30 to 8:00am	Breakfast/Registration/ Vendor Exhibits
8:00 to 8:10am	Welcome <i>Angela Alistar, MD</i>
8:10 to 8:50am	The Role of IRE in Pancreatic Cancer <i>Kai Bickenbach, MD</i>
8:50 to 9:30am	The Evolving Role of Radiotherapy in the Treatment of Rectal Cancer <i>Mona Karim, MD</i>
9:30 to 10:30am	Hepatocellular Carcinoma and the Role of TKI and Checkpoint Inhibitors <i>Ghassan Abou-Alfa, MD, MBA</i>
10:30 to 11:00am	Break/Vendor Exhibits
11:00 to 11:40am	Pancreatic Cancer is Not Invincible <i>Angela Alistar, MD</i>
11:40am to 12:30pm	Microbiota and Diet Modulate GI Chemotherapeutic Treatments Toxicity <i>Razvan Arsenescu, MD, PhD</i>
12:30pm	Lunch

Our Faculty:

Planner and Moderator:

Angela Alistar, MD
Medical Director, GI Medical Oncology, Carol G. Simon Cancer Center, Morristown Medical Center

Keynote Speaker:

Ghassan Abou-Alfa, MD, MBA
Attending, Memorial Sloan Kettering Cancer Center
Professor, Weill Medical College at Cornell University

Kai Bickenbach, MD
Surgical Oncologist, Atlantic Surgical Oncology, Atlantic Medical Group

Mona Karim, MD
Vice Chair, Radiation Oncology, Carol G. Simon Cancer Center, Morristown Medical Center

Razvan Arsenescu, MD, PhD
Chief, Atlantic Digestive Health Institute; Director, Atlantic Inflammatory Bowel Disease Center, Morristown Medical Center
