

Medical Bills and Health Insurance

When you call your insurance provider, always get a name and phone number of who you are speaking with. You may have more than one insurance provider, so write down the information about both. This will assist you in the future with quick reference and details about past conversations.

Insurance Provider	Insurance Plan Identification Number	Telephone Number(s)
		<hr style="border: 0; border-top: 1px solid black; margin-bottom: 2px;"/> <hr style="border: 0; border-top: 1px solid black; margin-bottom: 2px;"/> <hr style="border: 0; border-top: 1px solid black; margin-bottom: 2px;"/>
		<hr style="border: 0; border-top: 1px solid black; margin-bottom: 2px;"/> <hr style="border: 0; border-top: 1px solid black; margin-bottom: 2px;"/> <hr style="border: 0; border-top: 1px solid black; margin-bottom: 2px;"/>
		<hr style="border: 0; border-top: 1px solid black; margin-bottom: 2px;"/> <hr style="border: 0; border-top: 1px solid black; margin-bottom: 2px;"/> <hr style="border: 0; border-top: 1px solid black; margin-bottom: 2px;"/>
