When you RSVP please indicate whether you will opt out of the company-sponsored in-kind benefits (eg, meals, parking) or elect to pay for these on your own.

The meal cost may vary by event location and be up to \$125 per person (exceptions may apply).

Minnesota, Vermont, the Department of Defense, and the Department of Veterans Affairs have restrictions on receiving meals at company-sponsored events. You are accountable for understanding such restrictions and complying with them. If you are licensed in or affiliated with any of these states or federal agencies, Genentech policies may restrict your participation in this event. Your Genentech representative can help you determine if our policies permit your attendance.

For all attendees of this event, Genentech will report the attendee's name and the cost of the meal as required by federal and state disclosure laws (for more information on the federal law, please visit sunshine.gene.com).
