

American Cancer Society: Road to Recovery
1-800-227-2345 | cancer.org/roadtorecovery
We are currently implementing COVID-19 safety precautions and testing new technology in a limited number of communities. We look forward to expanding Road To Recovery to other communities later this year.

The American Cancer Society Road To Recovery program provides transportation to and from treatment for people with cancer who do not have a ride or are unable to drive themselves. To learn about this program or other ACS support, please reach out to us via Live Chat, or call our Cancer Helpline at 1-800-227-2345.

Teal Tea Foundation: Give Women a Lift
www.tealtea.org/get-a-ride

“Give Women A Lift” offers transportation reimbursement to women with Ovarian or other Gynecological Cancers who are facing financial hardship. The program has helped hundreds of women undergoing radiation or chemotherapy treatment to be reimbursed for their travel between home and their doctor’s office, hospital or cancer clinic.

Lazarex Cancer Foundation
925-820-4517 | lazarex.org

To whom does Lazarex provide assistance?
Lazarex assists advanced stage cancer patients of any age and ethnicity, with any type of cancer, nationwide who wish to find out about or participate in an FDA (Federal Drug Administration) clinical trial. What expenses are reimbursed by Lazarex during FDA clinical trial participation?

Lazarex can help pay for the following expenses related to clinical trial participation:

- **Transportation** (*economy airfare, gas, rental cars, taxi fare, parking/tolls*)
- **Lodging** (*housing during clinical trial participation*)
- **Certain medical expenses not covered by insurance and necessary for clinical trial treatment** (*Scans, x-rays and blood work above what your insurance covers, reviewed on an individual case by case basis.*)

How is financial assistance requested?
Call 925-820-4517 Monday-Friday between 9AM-5PM pacific time. A Lazarex staff member will take the contact information and then send the patient or their advocate an application to complete and return.

RUTGERS HEALTH

RWJUH Concierge Service

RWJUH has a Concierge Service that is available to help our patients find a taxi/car service. The number is **732-729-7904** and they are located in the lobby from 10am to 6:30pm. Although the concierge service is free, there is a charge for the taxi/car service. **Please note: If you are using this service while at the Rutgers Cancer Institute, please let the concierge staff know your location is 195 Little Albany Street.*

New Brunswick Residents

Dial-A-Ride (732) 745-5161

If you live in New Brunswick and are 60+ or have a disability.

Middlesex County Residents

If you live in Middlesex County and are 60+ or have a disability call Middlesex County Area Transit (MCAT) at **(732) 745-7456** to register. For Reservations call **(800) 221-3520**. \$3.00 one way fee per trip. **Please call at least 7 days prior to your appointment.*

Somerset County Residents

Paratransit at **(908) 231-7116** to register between 6 a.m. – 5:30 p.m.

**If you live in Somerset County and are 60+ or have a disability.*

Medicaid/NJ Family Care

(866) 527-9933

<https://www.modivcare.com/facilities/nj>
If you have Medicaid/NJ Family Care call ModivCare (formerly known as LogistiCare).

**Please register and call 2 business days before you need a ride to your medical appointment.*

Please call ModivCare or visit their website to learn more:

<https://www.mymodivcare.com/mileage-reimbursement>

Access Link Paratransit

(800) 955-2321 between 8 a.m. - 4 p.m

Access Link provides public transportation to people with disabilities who are unable to use the local bus service. The eligibility process involves a transportation assessment in-person interview.

Corporate Angel Network (CAN)

<https://www.corpangelnetwork.org>

Corporate Angel Network (CAN) is an organization that helps cancer patients access the best treatment by arranging free travel on corporate aircraft. Business jet travel makes it possible for patients, especially those located in areas with minimal airlines access, to travel to specialized medical centers. Participation is open to all cancer patients, as well as bone marrow and stem cell donors and recipients. Patients may travel as often as necessary and there is no financial requirement.

CancerCare

800-813-HOPE (4673) | cancercares.org

CancerCare provides limited financial assistance for treatment-related transportation to people affected by cancer.

In order to be eligible for financial assistance you must:

- Have a diagnosis of cancer confirmed by an oncology health care provider. Please note that most diagnoses are covered but funds can vary.
- Be in active treatment for your cancer. This includes chemotherapy, radiation, and sometimes other treatments such as surgery.
- Live in the U.S. or Puerto Rico
- Meet our eligibility guidelines of 400% of the Federal Poverty Limit in the tri-state area or 250% in outside areas.

The first step to applying for financial assistance is calling 800-813-HOPE (4673) and speaking with a CancerCare oncology social worker to complete a brief interview. Our Hopeline is open from 10 a.m. to 6 p.m. ET Monday through Thursday, and 10 a.m. to 5 p.m. ET on Friday.
