

## Construction Update: Traffic Alert for Saturday, July 8

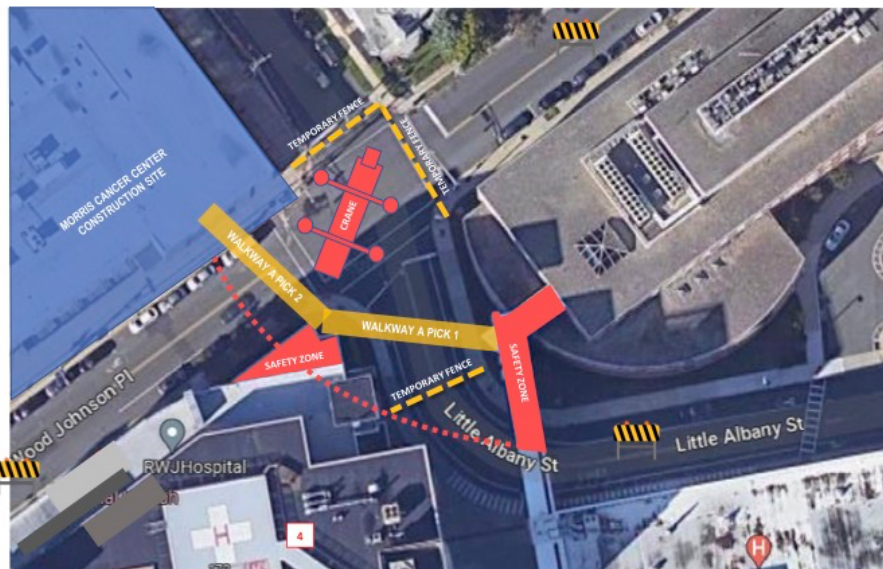

The intersection of Hardenberg and Somerset Street will be closed from 7 a.m. – 7 p.m. on Saturday, July 8 for a crane lift. The rain date is July 15-16.

Safety zones will have no pedestrian access during this time (includes North Tower Terrace and Rutgers CINJ Bridge).

Visitors should use Little Albany Street to access the hospital during this time.

Signage alerting drivers to the closures will be placed at the following intersections: Condict Street and Easton Avenue and Somerset Street and Easton Avenue.

New Brunswick Police will be on site at road closure points to direct traffic.
