

Atlantic Health System Cancer Care Presents:

American Society of Clinical Oncology 2017 Review

Annual Update in Oncology

**Saturday,
June 17, 2017**

Location:

Malcolm Forbes Amphitheater
Morristown Medical Center
100 Madison Avenue
Morristown, NJ 07962

Planners:

Missak Haigentz, MD
Chairman, Cancer Committee
Morristown Medical Center
Steven W. Papish, MD
Morristown Medical Center
Michael Kane, MD
Chairman, Cancer Committee
Newton Medical Center &
Chilton Medical Center
Dennis Lowenthal, MD
Chairman, Cancer Committee
Overlook Medical Center

Objectives:

At the end of the session, participants should be able to:

- 1) More accurately diagnose and treat various types of cancer including lung, breast, gastrointestinal and genitourinary.
- 2) Focus on the use of AJCC staging in clinical practice, which includes the use of appropriate prognostic indicators and evidence based national guidelines used in treatment planning.

This conference welcomes a distinguished faculty summarizing the latest data as of ASCO 2017. The variety of topics should be of interest to surgeons, medical and radiation oncologists and other physicians, nurses and allied health professionals.
