

TEACHERS ARE INVITED TO APPLY FOR: MENTORED CANCER RESEARCH

THROUGH THE RUTGERS YOUTH ENJOY
SCIENCE PROGRAM (**RUYES**)
AT RUTGERS CANCER INSTITUTE

WHO WE ARE?

The *Rutgers Youth Enjoy Science (RUYES)* program seeks to encourage youth from groups that are underrepresented in the biomedical sciences to pursue cancer research and healthcare careers. **RUYES Teachers** engage in cancer-focused research, curriculum building, and outreach to enhance the value of STEM education and science research careers amongst their students. The RUYES program is funded by the National Institutes of Health/National Cancer Institute grant 1R25CA247785.

WHAT TO EXPECT?

Teachers will have the opportunity to:

- Engage in basic, clinical, or population-based cancer research for eight weeks during two consecutive summers. (2025 and 2026)
- Receive curriculum development support to design innovative curricula to take back to the classrooms.
- Present their research findings at an Annual Research Symposium.
- Receive compensation for their time and limited funds towards childcare and parking.

**APPLICATIONS
ACCEPTED UNTIL
2/23/2025**

Teachers are invited to apply for this opportunity. Applications will continue to be accepted until positions are filled.

JOIN OUR TEAM FOR AN INFORMATION SESSION

Zoom Information Session will be held on Monday, January 13, 2025 at 4:00pm
