

How to Apply (Click here [to apply](#))

Applications will be accepted through March 31st for Summer 2021. To complete your application, you will be asked to include:

1. Your full contact information (name, email, phone number), the name of your school district, and your school's general demographics.

You should also be prepared to upload the following documents:

2. Entrance Essay

- Please answer the following questions in essay form. Your submission must be typed, double-spaced, and no more than two pages in length. (Be sure to put your name on each page of your response to the essay questions.)
 - Discuss your long-term career and/or educational goals.
 - Describe your favorite learning experience. (This does not have to be limited to a school experience.)
 - Why do you believe this research opportunity is a good fit for you?
 - How do you plan on incorporating this research experience into your classroom?

3. Letter of Reference

- One reference needed. Your letter of reference needs to be from your Principal or Science Supervisor in support of your participation and use of the developed curriculum to be implemented in the classroom. If your supervisor prefers to send the letter separately, attach a PDF of your request to your application and have them email the letter to RUYES@cinj.rutgers.edu.
