

Rutgers Cancer Institute-Princeton University
Annual Cancer Research Symposium

SAVE THE DATE
JANUARY 11, 2022
9:00 AM-5:00 PM

Please join us for the second annual cancer research symposium jointly sponsored by Rutgers Cancer Institute of New Jersey and Princeton University. The goal of this symposium is to facilitate inter-institutional collaborations between researchers.

Agenda includes faculty presentations, trainee talks, and posters **selected from submitted abstracts**. Featured sessions focus on Cancer Genomics, Cancer Metabolism and Tumor Microenvironment, Understanding and Addressing Cancer Burden in the Population.

Looking forward to seeing everyone!

Please visit the [JOINT ANNUAL CANCER RESEARCH SYMPOSIUM](#) for further details.
