Breast Cancer Support Group

This newly formed Breast Cancer Support Group will meet the third Tuesday of the month. We welcome breast cancer patients in all phases of their journey to attend, along with their family members and/or caregivers.

Share experiences and triumphs, solutions for coping with treatment side effects, effective communication with your healthcare team and concerns about recurrence, in a supportive and problem-solving environment.

This support group will be co-facilitated by Lois Glasser, LCSW, Oncology Social Worker, Cancer*Care* of New Jersey, and Karen Rust, RN, BSN, OCN, Cancer Outreach Coordinator with University Medical Center at Princeton.

University Medical Center at Princeton is a Clinical Research Affiliate of The Cancer Institute of New Jersey and an approved oncology teaching program of the American College of Surgeons' Commission on Cancer.
