EDUCATORS ARE INVITED TO APPLY FOR:

MENTORED CANCER RESEARCH & CURRICULUM/COURSE DEVELOPMENT

THROUGH THE RUTGERS YOUTH ENJOY SCIENCE PROGRAM (**RUYES**) AT RUTGERS CANCER INSTITUTE

WHO WE ARE?

The *Rutgers Youth Enjoy Science (RUYES)* program seeks to encourage students interested in the biomedical sciences to pursue cancer research and healthcare careers. RUYES Educators engage in cancer-focused research, curriculum/course building, and outreach to enhance the value of STEM education and science research careers among their students. The RUYES program is funded by the National Institutes of Health/National Cancer Institute grant 2R25CA247785.

WHAT TO EXPECT?

Educators will have the opportunity to:

- Engage in basic, clinical, or population-based cancer research for eight weeks during two consecutive summers. (2027 and 2028)
- Receive curriculum development support to design innovative curricula to imbed within their courses.
- Present their research findings at an Annual Research Symposium.
- Receive compensation for time and limited funds are available to support childcare, and transportation/parking.

APPLICATIONS ACCEPTED UNTIL ENROLLENT IS FILLED: APRIL 2027

Educators are invited to apply for this opportunity. Applications will continue to be accepted until positions are filled.

JOIN OUR TEAM FOR AN INFORMATION SESSION

Zoom Information Session will be held on Tuesday, Dec 29, 10am
