Emerging Trends - The 1st Annual Sonya Greenwood Memorial Seminar

“Using Evidence-Based Practice in Patient Care”

Date: Thursday, November 21, 2013

Time: 5:30 – 8:00pm

Location: The Cancer Institute of New Jersey
195 Little Albany Street
New Brunswick, NJ 08903-2681
1st Floor, Auditorium A & B

The keynote presentation will be presented by **Ellen Fineout-Overholt, PhD, RN, FNAP, FAAN**, a nationally recognized nursing leader and educator best known for promoting evidence-based practice in nursing across the United States and globally. She was recently named the Dean of the Frank S. Groner Endowed Memorial School of Professional Studies at East Texas Baptist University. She is also a clinical professor and director for advancement of evidence-based practice at Arizona State University.

Dr. Fineout-Overholt was instrumental in developing the *Advancing Research & Clinical Practice Through Close Collaboration Model* and coauthored *Evidence-Based Practice in Nursing & Healthcare: A Guide to Best Practice*. Her newest book is *Implementing Evidence-Based Practice for Nurses: Real-Life Success Stories*.
