

You are invited!

LITE Survivorship Education Night

June 6, 2025

Registration starts at 5pm, dinner included

5:30 - 6:30 pm

“Balancing Work & Cancer Workshop” presented by Sissy Silva

Returning to work after a cancer diagnosis can bring many unexpected challenges. This presentation will focus on the complexities of navigating work after treatment.

Topics include:

- Deciding what career/job to pursue after therapy
- Thinking through disclosure considerations
- Tips for communicating effectively
- Managing late effects at work
- Job searching, and more

6:30 - 7:00 pm

Updates on Pediatric Survivorship Research

"Listening to Survivors: Insights from the Needs Survey of Childhood Cancer Survivors"

7:00 - 8:00 pm

Panel of Survivors to discuss a variety of careers

8:00 - 8:30 pm

Raffles and Wrap Up

Location: Rutgers University Inn & Conference Center, 178 Ryders Lane, New Brunswick, NJ
