

TEACHERS ARE INVITED TO APPLY FOR:

MENTORED CANCER RESEARCH & CURRICULUM DEVELOPMENT

THROUGH THE RUTGERS YOUTH
ENJOY SCIENCE PROGRAM (**RUYES**)
AT RUTGERS CANCER INSTITUTE

WHO WE ARE?

The *Rutgers Youth Enjoy Science (RUYES)* program seeks to encourage youth's interest in the biomedical sciences and to pursue cancer research and healthcare careers. RUYES Teachers engage in cancer-focused research, curriculum building, and outreach to enhance the value of STEM education and science research careers among their students. The RUYES program is funded by the National Institutes of Health/National Cancer Institute grant 2R25CA247785.

WHAT TO EXPECT?

Teachers will have the opportunity to:

- Engage in basic, clinical, or population-based cancer research for eight weeks during two consecutive summers. (2026 and 2027)
- Receive curriculum development support to design innovative curricula to take back to the classrooms.
- Present their research findings at an Annual Research Symposium.
- Receive compensation for time and limited funds are available to support childcare, and transportation/parking.

APPLICATIONS ACCEPTED UNTIL ENROLLENT IS FILLED: APRIL 2026

Teachers are invited to apply for this opportunity. Applications will continue to be accepted until positions are filled.
